

Over 55 and looking for employment?

Gain practical experience and develop new skills with part-time paid training.

You will have an opportunity to work at a non-profit or government agency and receive a stipend for your time. Assignments are available to help you enhance your existing capabilities and strengthen your resume. Receive assistance with basic job readiness, employment search techniques and skills, and employment referrals. We will keep you on track with the goal of obtaining full-time, unsubsidized employment.

Call 330-253-4597 or 1-800-554-5335 for more info!
